

**REMARKS**

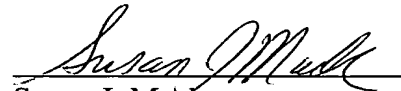

The amendments to the specification are being made to 1) update the benefit information, 2) correct the nomenclature used to describe Sequence Listings, and 3) revise the Abstract as requested by the Examiner in the parent application.

The remaining claims 26-39 correspond to original claims 1-5, 13-20 and 22, which constitute Group I from the restriction requirement issued May 21, 2002, in the parent application.

No new matter is being introduced.

Entry and consideration of this Amendment are respectfully requested.

Respectfully submitted,
